DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

The reply filed on March 18, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment fails to comply with the previous or current provisions of 37 CFR 1.121. The amendment was filed under the previous provisions of 37 CFR 1.121; however, the amendment fails to contain a clean version of claim 1. Claim 1, as provided under 37 CFR 1.121(c)(1)(i), contains bracketed subject matter. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Furthermore, it is noted that applicants have misspelled the name of the first specified antioxidant throughout the specification and claims, as amended. Note the spelling of "dimethyl" and "methylphenyl".

Any inquiry concerning this communication should be directed to R. Sargent at telephone number (703) 308-2982.

R. Sargent
